**MTV NEWS PRESENTS
THE DIARY OF BILL CLINTON & GIDEON YAGO IN AFRICA
PREMIERING SEPTEMBER 26 EXCLUSIVELY ON MTV.COM**

**MTV News Correspondent Gideon Yago Joins Former President Bill Clinton on a
6-day, 5-country Philanthropic Mission to Africa**

New York, NY – September 25, 2006 – MTV today announced the premiere of *The Diary of Bill Clinton & Gideon Yago in Africa* scheduled to air on MTV.com on September 26 at 7:00am EST and on MTV nationwide at 8:00pm EST on October 2. MTV News correspondent Gideon Yago joins former President Bill Clinton on a philanthropic mission to Africa as he delivers aid to a continent in need, a continent ravaged by AIDS, extreme poverty and ethnic conflict. The program is intended to educate young people and encourage them to take action to fight HIV/AIDS, stop the Sudan genocide and help fight extreme poverty.

The 6-day, 5-country swing included visits to South Africa, Ethiopia, Rwanda, Lesotho and Malawi – each country offering a magnified look at the devastation and personal accounts of poverty, tragedy and illness. Clinton and Yago were joined by fellow philanthropist Bill Gates as they traveled to the tiny country of Lesotho where they visit an AIDS clinic that is working with the Clinton Foundation on combating an epidemic that has devastated sub-saharan Africa.

This journey continues MTV's long tradition of bringing important global issues to the attention of our audience. The Emmy award-nominated *Aftershock: Diary of Gideon in Pakistan* captured the devastation caused by the October 2005 South Asian earthquake.
